

KEEP YOUR FAMILY SAFE WITH BACKUP POWER

Power outages are unpredictable, but the dangers associated with power outages aren't. The best way to protect your family from threatening situations caused by an outage is to invest in backup power solutions. With Generac backup generators, your family will have peace-of-mind knowing power outages won't be on their list of worries.

Generators offer protection from dangerous situations that can happen during a power outage, such as:

1. KEEP THE LIGHTS ON SO YOU AREN'T STUMBLING IN THE DARK

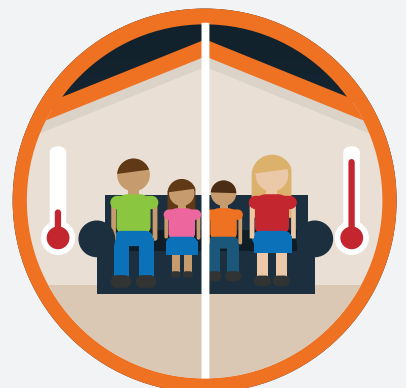

2. KEEP ESSENTIAL EQUIPMENT RUNNING SUCH AS PRIVATE WELLS OR BASEMENT SUMP PUMPS.

3. KEEP MEDICINES COLD AND MEDICAL EQUIPMENT RUNNING.

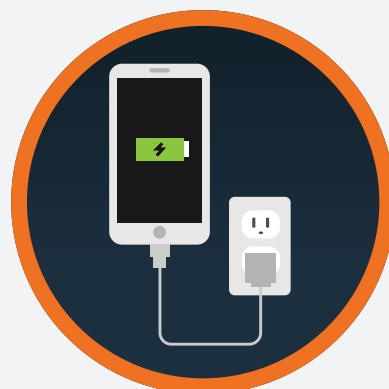

4. ENSURE THE SECURITY SYSTEM CONTINUES TO RUN.

5. AVOID HOME DAMAGE BY KEEPING THE AIR CONDITIONING AND FURNACE RUNNING.

6. ALLOW USE OF KITCHEN APPLIANCES SO FOOD WON'T SPOIL AND YOU WON'T GO HUNGRY.

7. MAINTAIN CELLPHONE BATTERY CHARGE TO MAKE CALLS DURING EMERGENCIES.
